

#### **6.1.4 Prohibition of DUOS charges for the export of energy**

(a) *A Distribution Network Service Provider must not charge a Distribution Network User distribution use of system charges for the export of electricity generated by the user into the distribution network.*

#### **6.18.4 Principles governing assignment or re-assignment of retail customers to tariff classes and assessment and review of basis of charging**

(a)(3) ...however, *retail customers* with micro-generation facilities should be treated no less favourably than *retail customers* without such facilities but with a similar load profile;
